Chyun Yow Machinery Industry Co., Ltd. is a well-reputation manufacturer of producing quality **horizontal band saw**.

It is a power tool which uses a blade consisting of a continuous band of metal with teeth along one edge to cut various work pieces. Usually the device is for woodworking, metalworking, or for cutting a variety of other materials. As a professional horizontal band saw manufacturer, Chyun Yow provides various types of the equipment for customers to choose the one most fit for their requirement. Also, Chyun Yow has strict progress of production; each product is made by advanced technology under good management. Therefore, customers can always be satisfied with the quality of Chyun Yow products.

» Specifications:
